# TUBE-PAK

The All Purpose Do-It-Yourself,  
Custom Packing, Mailing and  
Storage Container

# TUBE-PAK

**TUBE-PAK...Pack It, Mail It, Cut It,  
Hang It, Ship It, Store It, Use It  
...Again and Again!**

Extruded from odorless and impact resistant PETG (Estar® Co-Polyester), TUBE-PAK is a **quick, inexpensive and re-usable way to store, pack and ship safely**. With an **unbreakable and transparent wall**, TUBE-PAK provides a protective and **clear view** of it's contents leaving no question to what's inside. Fitted at both ends with polyethylene caps, TUBE-PAK has an **airtight and waterproof seal** protecting it's contents from damaging elements.

Use TUBE-PAK **IN THE HOME** for safety pins, buttons, posters, nuts, bolts and tennis balls. Use TUBE-PAK **IN BUSINESS** for blue prints, medical devices, capillary tubes and point of purchase display. Use TUBE-PAK for **INDUSTRIAL NEEDS** including drill bits, tool storage and saw blade safety. TUBE-PAK can be used **ANYWHERE!**

Stocked in **1", 2" and 3" ODs** and available with 1/8" to 6" ODs, TUBE-PAK satisfies any storage, shipping and point of purchase need. TUBE-PAK is manufactured in lengths of 6 feet and is **easily cut with a standard hand saw to any height**. Custom factory lengths available.

**Extra end caps are always available** and come in **STANDARD** or our **new HOOKED caps** for easy hanging or racking. Also available are the **NEW Tennis Ball and Golf Ball Caddy Caps**. Turn a standard TUBE-PAK tube into an easy to use ball caddy that works as a great specialty item or sports gift.

**TUBE-PAK is a no-nonsense product that simply makes sense** – As a **mailing container**...unbreakable TUBE-PAKs can be used over and over again. As a **storage container**...transparent TUBE-PAKs are right for thousands of business and household needs. As an **all-purpose packing container**...waterproof, air-tight, and lightweight, use TUBE-PAKs for travel by land, air or sea.

**At Work, At Home Or At Play...  
TUBE-PAK Has Plenty In Store.**

If it's shipping blue prints, storing posters or holding your tennis and golf balls during the off season, TUBE-PAK is **the convenient packing solution**. Display and protect collectable dolls, pack perishable supplies for a camping trip or safely store sharp items such as razor blades, TUBE-PAK is **the sensible packing solution**. Make a bird feeder, decorate, package a present or store kids blocks and toys, TUBE-PAK is **the fun packing solution**.

## Get Hooked With TUBE-PAK

TUBE-PAK end caps are available in standard or new **hooked end caps** in all sizes. Whether it's to hang items in TUBE-PAK on your work bench or in your utility closet...hang boxed inventory samples for easy visual reference...or to display product at the check-out line, you will find **hundreds of additional uses when hanging TUBE-PAK**.

## Any Size To Store Anything.

Because TUBE-PAK can easily be cut with a hand saw and additional end caps are available, you can **create any size storage container needed**. Display one spool of thread or 1000 nuts and bolts; Five tennis balls or fifteen; A dozen paint brushes or just one! **Combine TUBE-PAK uses**...pack twelve 1" TUBE-PAKs inside one 3" TUBE-PAK to maximize shipping or storage.

## A Lifetime Of Uses.

Washable with standard household cleaners and almost indestructible, the TUBE-PAK is 100% reusable and provides a lifetime of use and re-use.

**Easy  
To  
Use!**
